## Union plans strikes over train moves

A LEADING rail union has hit out at adverts for a consultancy contract to explore the introduction of driverless trains on the London Underground, raising the threat of industrial action.

The Rail, Maritime and Transport union said the move was part of Government-driven spending cuts on the Tube.

General secretary Mick Lynch (above) said: "The news that the Government is pressing ahead with wasting money on a consultancy project on driverless trains on London Underground when there are massive challenges facing the transport network shows their twisted set of priorities.

"This is all part of the Government-driven cuts assault on transport in London and RMT is pledged to fight it with every tool at our disposal including the use of industrial action."

## Shapps to snap up rail operator

THE government is to take over running services on train operator Southeastern after a "serious breach" of its franchise agreement.

Transport Secretary Grant Shapps said an investigation by his department identified evidence that since October 2014 the firm has not declared more than £25m of historic taxpayer funding which should have been returned.

Southeastern is run by Govia and operates across south-east England, covering London, Kent and East Sussex.

# YOU BLOODY FUEL!

## Thug wields knife at pumps

A DRIVER pulled a knife on another motorist as large queues continued to form at petrol stations amid the ongoing fuel crisis.

Footage of a man in Welling,

south-east London, appeared to show him shouting at another driver and brandishing a weapon as tensions boiled over.

The video then shows the car ramming into the alleged knifeman, who is then carried for several yards on the bonnet.

Police said that they had been called on Monday afternoon to a disturbance in Bellegrove Road, but "no trace" of either vehicle was found.

It comes as the panic buying of petrol shows no sign of ending, as filling stations in many parts of the country continue to run dry, with hundreds of people resorting to filling up with the wrong fuel out of desperation.

## Sicko admits to stalking Loose Woman Denise

A MAN has admitted stalking *Loose Women* star Denise Welch and setting a fire on her driveway.

Toraq Wyngard targeted the actress between September 18 2020 and February 11 this year, Cheshire Police said.

The 63-year-old admitted stalking the TV presenter on the first day of a trial at Chester Crown Court.

He also pleaded guilty to possessing a knife, criminal damage and arson and will be sentenced in October.

Wyngard, of Salford, Greater Manchester, was found near the home the star shares with her husband Lincoln Townley in Cheshire when police were called to a fire on her driveway.

The blaze had spread from a skip to the garage attached to the property, police said.

Officers found Wyngard nearby with knife in his backpack.

In a statement, Denise (above), 63, said she was "very relieved" that Wyngard had admitted the offences, adding: "This has been an incredibly terrifying and stressful time."

## Glasto's river full of drugs

ENVIRONMENTALLY damaging levels of rave drugs have been found in a river at the Glastonbury Festival site.

Scientists have warned there are "dangerous" levels of MDMA and cocaine in the Whitelake River in Somerset.

They suspect public urination has caused the increase and urged festival goers to use the toilets provided.

Boffins fear it could derail the conservation efforts of rare European eels in the area.

Measurements both upstream and downstream of the site were taken before, during and after the festival in 2019.

The study found MDMA concentrations quadrupled a week after the festival, suggesting long-term release from the site.

ROCKET  
MAN: PM  
launches  
UK into  
space

**BORIS Johnson is set to blast Britain into the space race for the first time in decades with a series of Spaceports from Cornwall to Shetland.**

The Prime Minister said that Britain cannot remain "earthbound" and must seize leadership in the multi-billion-pound space industry.

Space defences will spy on hostile powers from orbit and prevent them jamming vital communications, government strategy published yesterday promised.

Satellites will also help to forecast the weather and look for power grid outages.

Britain's space industry is worth £16bn a year and employs 45,000 people in

areas such as manufacturing, communication and navigation satellites.

Johnson says we must claim more of a global industry that is projected to double to £490bn a year within a decade.

In the space strategy the government promised that the UK would become the first country to launch a rocket into orbit from Europe.

Seven spaceports are being planned to take the UK beyond contributing to other nations' space programmes.

The PM said that the plan would "create more jobs by putting rocket boosters the size of a Saturn V's F1 under British space businesses" and would lead to "Global Britain

becoming Galactic Britain", adding: "The days of the UK space industry idling on the launch pad are over."

Defence Secretary Ben Wallace said that operating in space was "fundamental to the success of our armed forces" as potential adversaries such as China and Russia develop jamming techniques and anti-satellite missiles.

About £1.4bn has been promised to combat these technologies and develop space surveillance.

George Freeman, science minister, said: "We have bold ambitions for the UK to be at the vanguard of this industry in our role as a science superpower."

## LIBBY'S MUM: LOOK OUT FOR OUR GIRLS

THE mother of student Libby Squire has said "we can't accept our girls being murdered on the streets" following the death of primary school teacher Sarah Nessa.

Lisa Squire, 51, said that "women have the right to be out whenever they like", adding: "There are monsters out there."

Married father-of-two Paweł Relowicz, 26, dumped Libby's body in the River Hull after raping her on a

playing field in the early hours of February 1, 2019.

The Polish butcher was convicted of raping and murdering Libby, 21, when he chanced upon her after she'd been out with friends.

Following the deaths of Ms Nessa and Sarah Everard, Libby's mother said: "The only way to stop this is to look out for one another, to teach our children, our sons, how to look out for their sisters and girlfriends."

"I can't believe that now another family is going through the unbelievable pain we are still living with."

Ms Squire, a maternity ward nurse, continued: "The night that Libby was murdered 18 people came across her. The 19th killed her."

"She had every right to be out and having a drink that night. What made her vulnerable was the fact that there are monsters out there."

Bet her nips taste like gummies.

**SEXY** Ireland Baldwin posted a series of hot selfies on Instagram showing her frolicking at home in a bikini.

The daughter of actors Alec Baldwin and Kim Basinger left the pics unedited with a message about her natural body.

Ireland, 25, declared in her caption that she was "embracing my cellulite" as well as "all the other fun things that make me human".

The beauty could be seen basking in the sun in her backyard, where at one point she threw her arms up into the air.

She also posed inside her home, allowing the camera to capture her from more than one angle as part of her body positive display.

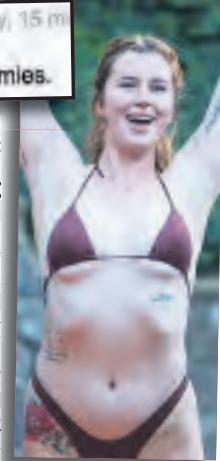

Ireland wrote in the caption: "Embracing my cellulite, stretch marks, curves, eczema, ingrowns, pale skin, grown out roots, hairy legs, and all the other fun things that make me human."

But when the uplifting photos were later shared on the website of the hate-filled *Daily Mail*, some of its readers were clearly not uplifted and sank further into the GUTTER!

One fantasised: "I bet her nips taste like gummies," referring to the popular confection.

Another slavered: "Would love to put those thighs around my neck and dive in", suggesting he would like to attach his mouth to Ireland's fleshy vagina and orally stimulate her clitoris.

Armed robber held with false leg on his head

A CROOK stole a false LEG off an amputee at gunpoint and strapped it to his own head.

Kevion Hooks, 33, was later arrested for the armed robbery in which he took the vital limb from the victim.

Tulsa Police said Hooks (*above*) went up to the victim with a large metal spike.

He took the victim's backpack and also his prosthetic leg and even asked the victim the value of each item he was stealing.

When officers later apprehended him, after being caught on CCTV, they found Hooks with the victim's false leg bizarrely strapped to his head.

Cops said they took the leg from Hooks's head and gave it back to the victim.

A police source said: "It's probably the most bizarre act of robbery that we have ever come across."

## CANNIBAL GANG RINGLEADER JAILED

A CANNIBAL has been sentenced to 25 years for murdering and eating parts of a victim whose identity has never been established and whose body has never been found, in a case dating back nearly two decades.

The convicted man, known only as Robert M because of reporting restrictions, told four accomplices to cut up portions of the victim's flesh to be roasted and eaten to seal a pact of silence, a court in Szczecin, Poland, was told.

The case only came to light in 2017 when Polish police got an anonymous tip-off saying that one of the men involved, Zbigniew B,

had made a death-bed confession.

In the subsequent investigation, cops learned the remaining four had spoken about the murder privately.

The prosecution's case, however, rested mainly on the testimony of Rafal O, another of the men who had eaten the victim, who had on a number of occasions given a clear and consistent account of the night of the murder.

According to his testimony, Robert M had an altercation with the victim after a drinking session in 2002 in Lugi, in northwestern Poland.

Having got into a fight, Robert M and his friends took the man to the

edge of a nearby lake where Robert M told Zbigniew B: "You know what to do."

While summing up the case Judge Tomasz Banas said: "Zbigniew B sat down on the man and cut his throat, then cut off his head, took off his clothes, gutted his body and cut off five pieces of his soft tissue from the rest of his body."

### Skewers

The flesh was then put on skewers and cooked over an open fire.

When one of the men protested Robert M said he would suffer the same fate.

The remains of the body were then dumped in a lake but in one of the twists that has puzzled investigators for decades, who the victim was and where he came from remains unknown.

He fits no missing persons records, no-one has come forward with a name, and no remains were ever found.

Another factor is that Rafal O has a long history of alcohol abuse and suffers from a mental illness, a point that was not lost on Robert M's defence team.

On hearing the verdict, Robert M, who has always denied having any role in the murder, said: "I certainly did not expect this. I'm surprised."

AN ad for a bra left many social media users in stitches last week.

Loads of women said they thought the model had "one giant boob" in a close-up of the embroidered lace.

Lounge Underwear took to Instagram to show off the new bra but probably didn't receive the response they wanted with the ad becoming a meme.

"When you want a boob job, but you've only managed to save half the cost," wrote one observer on social media.

### Disturbing

However, not all users saw the funny side, with one commenting: "For a moment I was sure it was some kind of a horrible disease awareness..." while another admitting: "That's slightly disturbing."

But with millions of adverts produced every day, it's not surprising that there are a few boobs.

Whether it's the result of bad design, poor positioning or just good old-fashioned stupidity, some ads get your attention for all the WRONG reasons.

Here are a few howlers we've found that we daresay caused the advertisers to cringe...

Hollyoaks Jen warned over Insta 'advert'

A WATCHDOG has warned Hollyoaks star Jennifer Metcalfe over posting adverts on Instagram after she failed to make clear to followers she'd been paid to promote a hair-styling device.

Her Instagram page carried a story on April 28 featuring an image of her holding the HairCybele device and text stating: "Me again! Use code JEN70 for 70% off! @HAIRCYBELE Swipe up to view website."

A reader complained that the post was not obviously identifiable as an advert.

The Advertising Standards Authority said Jennifer did not respond to its enquiries.

HairCybele said they entered into a one-off agreement with the celeb and gave her instructions on what she should say and how to demonstrate use of the hair curler and the results of using it, for which she was paid.

The brand confirmed the post was an ad but said they did not give instructions regarding labelling, as influencers usually added labels themselves when they were posting.

**A PROSTITUTE** stole her client's BMW car after being told he had changed his mind when she turned up at his home.

Her partner then stormed into the man's house and forced him to transfer cash into his bank account while his son slept upstairs.

Dundee Sheriff Court heard yesterday that Jennifer Whyte

had provided services as a sex worker to the man at his home previously.

But the arrangement went sour when she arrived to find the man had been sleeping and had woken up and thought better of going through with the agreed sex acts.

When the man told Whyte he had no money to pay her, other than £15 to cover her taxi costs, her partner David Donald stormed into the property and threatened him.

Fiscal depute Gavin Burton told the court: "At the time she was offering sexual services as an escort on a website she was in a relationship with her co-accused."

## Wine

"On March 22, 2020 the complainant returned home and parked his car. The keys were on the worktop. He'd had two bottles of wine.

"At 1.30am he decided to contact an escort he had previously used.

"He contacted Whyte and she agreed to provide sexual services and a price was agreed. The complainant was under the influence and he fell asleep."

"He was woken by the sound of the buzzer a short time later and opened the door to let Whyte in.

**CAR THEFT:**  
Jennifer Whyte

"He informed her he did not have any money, had changed his mind and didn't want anything."

"He gave her £15 for a taxi and she started to walk towards the door as she seemed OK with that. He did not lock the door."

"He was in the kitchen when Donald appeared wearing a hoodie and with a Burberry scarf over his mouth and nose."

"He asked the man for money. The complainant told him he had no money in his wallet."

Donald said: "You must have money, you've got a BMW" and he pointed at the car keys. The victim was told to transfer money into a bank account.

Donald and Whyte left after being satisfied the money had been transferred.

Later on, the victim realised his car keys were gone and that his car had been stolen.

He phoned Whyte's mobile number but got no response and the theft was reported to the police. The car was traced a short distance away and Whyte's DNA was recovered.

Jennifer Whyte, 35, admitted stealing a car.

David Donald, 40, admitted robbing the man of £50.

Sentence was deferred for reports.

## ENGLAND LEGEND HUNT DEAD AT 83

ROGER Hunt, England World Cup winner and Liverpool's record league goalscorer, has died.

Hunt, 83, was part of Sir Alf Ramsey's team of legends at Wembley in 1966, and such were his feats at Anfield under Bill Shankly, he was fondly referred to as 'Sir Roger'.

The Warrington-born striker spent 11 years at Liverpool, scoring an incredible 285 times. That tally is only eclipsed by Ian Rush, but Hunt's 244 league goals remains a club record.

At club level, Hunt will always be linked with Shankly's all-conquering team of the 1960s. He was at the club when Shankly arrived in 1959, and he would go on to form a devastating partnership with Ian St John to propel Liverpool to the pinnacle of English football.

Hunt scored 41 goals in 41 games as Liverpool won promotion to the top flight in 1962. He then helped Liverpool to the league title in 1964 and was pivotal to the club's first FA Cup win in 1965.

The ultimate achievement followed a year later as he became a fixture of Ramsey's England team.

He played in each of the country's six World Cup games, first paired with Jimmy Greaves and then Geoff Hurst.

Having made his international debut in 1962, Hunt played 34 times for England, scoring 18 goals.

## Mobile phone bomb crusader faces 40 years

A MANIAC is accused of placing pipe bombs outside mobile phone shops as part of a crusade to try and stop telecommunications "containing immoral content" like porn and swearing.

John Douglas Allen, 75 (above), was charged with extortion and attempted destruction of interstate commerce buildings.

He was caught on camera placing the homemade explosive packages outside AT&T and Verizon stores in Michigan.

The vigilante then left threatening letters, placed inside polka dot envelopes, at mobile cell towers in the state's Upper Peninsula.

The letters, which had a return address of "Coalition for Moral Telecommunication," demanded software be updated to stop the spread of adult content and vulgarity.

Allen, who is facing 40 years in prison, threatened to destroy phone masts all over the US, and asked for \$5m (£3.65m) to cease and desist.

A SCHOOL BOY aged 11 pistol-whipped a driver as he helped his own MUM commit a carjacking.

The mum-and-son duo made off with a 2017 Nissan Rogue after they forced its 48-year-old driver out of his SUV.

The victim, who wasn't identified, was filling up his car at a petrol station in St Louis, Missouri.

The mother asked for a ride and the man agreed, but she grabbed his keys from the ignition as the lad pulled out a handgun and whacked the driver in the face.

She then dragged the victim out of the car, and the two sped off.

Not surprisingly, participating in the crime at a young age worried Webster University worker Dr. Muthoni Musangali.

"I just think this puts him on the wrong path," Musangali said.

# COUNCIL BOSS SPUNKED TOWN HALL CASH ON HOOKER

SACKED: Gavin Pollock created invoices to the value of £30,000

A SEX-CRAZED council boss who funnelled thousands of pounds of public funds into a hooker's bank account claimed he needed the tart for "emotional support".

Gavin Charles Pollock, chief exec of Ravensthorpe Shire in Western Australia, told corruption watchdogs he felt undermined at work and used the escort as a sounding board for his ideas, as he would be laughed at if he bounced them off his colleagues.

Pollock was sacked on September 13 amid the allegations.

Details of Pollock's scheme, which allegedly used fake invoices to channel council funds into the bank account of a sex worker, were laid bare in a report by the Crime and Corruption Commission.

The watchdog alleged that Pollock had used his office computer on seven occasions since March 2020 to create invoices totalling £30k which he passed as

"administrative and related services".

Pollock, who had been a client of the sex worker for five years, allegedly approached the escort in early 2020 with a plan to set her up as a supplier to Ravensthorpe.

The sex worker, identified in the report as Ms E, said that she was uncomfortable with the arrangement but told the CCC that Pollock "justified it in his

own way he could use the funds how he saw fit".

She told the watchdog some funds were for herself while the remaining went to other escorts.

The commission said the scheme was a sham designed to create a trail of documents that looked legitimate and would mislead auditors and inquirers.

It concluded its only purpose was to provide a fund Ms E could access to get payment after providing sex to the chief exec and pointed to texts and phone calls between the pair as evidence.

The investigation is ongoing.

Detectives traillled Killis and spotted an ammunition box, a bullet proof vest and an apparent firearm case inside his car.

The next day, while they executed a search warrant, officers found a loaded semi-automatic rifle, a shotgun, a handgun and several fully-loaded magazines inside the truck.

# Woman beat her lover for wanting hug

A WOMAN is accused of battering her lover after he asked her for a "cuddle".

Kiesel Anthony, 45, was in bed with her boyfriend when the 42-year-old victim asked to cuddle with her, but she refused.

Anthony got angry at her boyfriend and began shouting and screaming at him in their home in St Petersburg, Florida.

After throwing an electric fan, she then grabbed the pole from it and hit the boyfriend in the back of one of his legs.

She was arrested for domestic battery and booked into the local county jail, where she is now being held on a \$2,000 bond.

£2,000 bond.  
A judge has ordered her to have no contact with the victim.

with the victim.  
In February, she was charged with battering the same man and was placed on a domestic violence programme.

**SUPERMODEL** Cindy Crawford returned to the original location of her iconic 1992 Pepsi advert to recreate the image for a good cause earlier this month.

Posing in a tight white tank top, cut-off jean shorts and pointy red stilettos, the 55-year-old looks like she hasn't aged a day in 29 years.

Cindy was raising cash for a kids' hospital in the States but the sexy throwback photoshoot made many people yearn for that golden age.

#### **Disturbing**

Babes like Cindy, Naomi Campbell, Kate Moss and Linda Evangelista were household names back in the day, as big as any film stars.

And before the damp rag of political correctness smothered joy from life, they could often be seen half-naked on billboards around the world.

Nowadays, of course, there are still supermodels but the modern look is not quite the same, with many having the disturbing look of young boys.

So today we look back to a happier, less-confusing, more innocent time as *Midweek Sport* reflects on the Golden Age of Supermodels...

# BENT FINANCIER WHO INSPIRED HIT

**JORDAN** Belfort has lived an extraordinary life.

Through ups and downs and twists and turns, his has been a roller coaster ride the likes of which very few people in history have experienced.

His life in the 90s is arguably a modern-day reimagining of the classic story of Icarus flying too close to the sun.

The tale of a person's ambition becoming so strong that it turns to recklessness and eventually leads to their downfall.

The story of the self-styled Wolf of Wall Street became the Martin Scorsese movie of the same name starring Leonardo DiCaprio as Belfort, alongside Jonah Hill and the stunning Margot Robbie....

**BORN** and raised in New York City, Jordan Belfort was the ultimate go-getter.

A world-class hustler and salesman who started his career in business at an early age selling Italian ice cream to tourists.

From there, he was able to save up and pay his way through college expecting to become a dentist.

But dentistry didn't exactly fit the sensibilities of a man like

# The REAL Wolf of Wall Street

By KOURTNEY KENNEDY  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Belfort so he decided to double down on his significant talents in sales.

### Bankruptcy

He started a company selling meat door to door and even managed to quickly scale it to a decent-sized business.

But things didn't end work out and by the time he was 25 he

filed for bankruptcy. Once free, he managed to land a gig on Wall Street through a mutual acquaintance, learning some tricks of the trade which would prove to be invaluable for his future exploits.

Telesales, his first role on Wall Street, is a tough racket.

Cold-calling someone and persuading them to buy what you're selling over the phone without any face-to-face contact takes a unique mix of confidence, charisma and resilience.

Belfort, now 59 and working mainly as a motivational speaker, had proven himself to have all three in spades.

So when the markets crashed on Black Monday in 1987 and he got laid off, like countless others in the business, he took what he learned from Wall Street and a lifetime of sales and pursued a career selling a new product: "penny stocks".

The term refers to the stocks of small companies available to buy for £5 or less.

Because the stocks are so cheap to buy and the companies are so small, investors lack the information about the firm's inner workings and financial details that large, publicly traded companies legally have to provide.

It can be hard to know what you're getting, a bit like a game of Russian roulette for investors.

Belfort leveraged the lack of information

available to those rang up to the Nth degree.

Like others in the business, he would inflate the value of the companies that he was promoting to make them seem like the next promising start-up with endless potential for huge growth, which would make his clients rich.

The difference between Belfort and other penny stocks salesmen is that where they would fail, his sales prowess would turn lead into gold.

Soon after getting into the business, he created the firm Stratton Oakmont and quickly scaled up the company.

### Ambitions

Word spread fast of what he was doing and he was continuously attracting more and more hungry brokers with similar ambitions to make their fortunes.

The company culture was so notorious the nickname for Jordan Belfort, Wolf of Wall Street, was born out of his recollections of this period in his life.

Arguably one of the most amazing things about all of this is how accurate the movie is about that time.

Of course, there isn't a public record of everything that went on but much of the memoir for which the movie is based has been shown to be true.

# CONMEN *Cheats &* FRAUDSTERS

One of the best scenes early in the movie involves Belfort, played by Leonardo DiCaprio, having lunch with Wall Street veteran Mark Hanna, played in it by Matthew McConaughey.

The lunch involves Hanna explaining to Belfort the ins and outs of the business while emphasising the need for "masturbation, cocaine and hookers".

Hanna, is surprisingly, a real person and really was Belfort's real-life mentor, which may help to explain what went on at Stratton Oakmont.

Sex, drugs, and a total lack of self-control was rampant throughout the company.

That led to infamous office parties, excessive spending, and ultimately to the attention of the National Financial Regulatory Authority. Crashing a swanky Lamborghini, as well as a helicopter, and sinking a luxury yacht off the coast of Sardinia only to be rescued by the Italian navy all while under several influences are all surprisingly true.

### Recognised

Even the initial public offering of the shoe company Steven Madden was faithfully recreated in the movie.

The huge sales force at Stratton Oakmont had managed to aggressively

**WHAT'S ANNOYING

**Admit it, Boz, we're  
in the sh\*t!**

**SNOWY**-haired shite Boris and his seven dwarfs have declared that despite fuel hold-ups, food shortages, empty supermarket shelves, energy prices rising, and folk multi-buying candles, that Christmas won't be cancelled.

Oh no. Not at all. We are also assured that there is not even the remotest chance of the lights going off or the cooker conking out. "Phew, thank God for that," said absolutely no-one.

Because we've heard all this before.

Like the short, sharp shock of a three-week lockdown back in the misty times of March 2020 to swiftly slay the dragon that was COVID. Remember that?

Deserted streets that resembled the set of a zombie movie.

Occasional stragglers scurrying nervously along to buy milk, masks almost over their eyes, weaving to the other side of the road if they spotted someone advancing on their side from 100 yards away.

## F\*\*ked

But it would only be for a couple of weeks or so, and then turned into an on-off year-long shutdown that pretty much f\*\*ked the entire country.

Hospitality came to a standstill. Planes stopped flying. Pubs and restaurants and high street stores closed forever.

Even James Bond got knocked back more times than Michael Gove at a disco.

And, of course, every well-paid, gold-plated pension public servant outside of the NHS or refuse collection immediately decided to "work" from home and STILL haven't gone back.

GPs continue to be

**OUR** Starmer is no better than Boris.

conditions shitter, and the hours even shittier still.

And that wasn't all, was it?

Like being told to wash your hands every time you blink, which turned out to be utterly pointless.

Like last Christmas "definitely" not being cancelled only for last Christmas to then be definitely cancelled.

And loads of other certainties promised by Boris and Co that simply haven't even nearly come to pass.

For Boris, a good restart would be to stop promising people things that aren't going to happen overnight, because then people start to expect that.

## Honest

Better to say "give it time" because not only is that practical but it's also honest.

Stop telling us there is no chance of Christmas being cancelled when, by the miracle of having eyes and ears, we can all spot a massive incoming shit show when it's hurtling towards us.

Tony Blair famously got into office with the theme of "things can only get better" raving behind him.

Boris should say the same, but admit that, to get better, first things are going to get much worse.

Which, let's face it, fellow people of the real world outside of Westminster, they now are.

Priest 'stole £80k for gay sex parties!'

A ROMAN Catholic priest has been placed under house arrest for allegedly stealing more than £80,000 in church funds and parishioners' donations to pay for drugs and gay sex orgies.

The Rev Francesco Spagnesi, 40 (above), of Prato, Italy, who was locally known for his inspiring sermons, was caught after police were tipped off that his roommate had imported a LITRE of the common date rape drug GHB from the Netherlands.

Cops are currently interviewing 200 people who say they attended his house parties in the last two years.

The two men are alleged to have used online dating sites to invite guests to their home, where drugs were used and sold.

Officers reportedly found homemade crack pipes from bottles during a raid on the property.

Spagnesi allegedly took money from the parish's bank account, stole cash from collections, and asked parishioners for money, telling them it was for poor families.

Homeless man stabs do-gooder over 'late' meal

AN UNGRATEFUL tramp stabbed a good Samaritan who fed the homeless in a park... because the stinking hobo believed the do-gooder dropped off the food too late.

The victim, who is in his 30s, brought food to Hoffman Park in Queens, New York, cops said.

While there, one of the homeless men confronted him about the apparently delayed delivery before pulling out an unknown object and stabbing the victim in the chest.

The victim was taken to Elmhurst Medical Centre, initially in a critical condition, but he was later listed as stable.

Police said the victim may have been from a local church, based on an account from a witness who said they knew him from prayer meetings.

The suspect fled from the park and is at large.

# 'THE LESBIANS AT THIS SCHOOL ARE OUT OF CONTROL'

**Two teachers nicked in ONE week for sex with teen girls**

By BRAD CHADWICK [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**PARENTS** have reacted with fury after **TWO** teachers at the same school were arrested for lesbian sex antics with teenage pupils.

The rumpus started last week when volleyball coach Lainie Kay Rodgers, 24, turned herself in to the police.

Rodgers faces charges of transmission of harmful material to a minor by an electronic device and being an authority figure engaged in lewd conduct with a student.

It's believed she bombarded a teenage girl with "staggeringly explicit" texts and social media messages.

#### Dildo

She also sent the 16-year-old girl a video of her using a dildo on her moist private parts along with the message: "Making my pussy wet for your tongue."

And while mums and dads were digesting that bombshell, they were hit by another one.

Cops announced that Autumn Brooke Rodgers, also 24, has a warrant out for her arrest for sex-related charges.

The two accused are not related but are described as "friends and co-workers".

Cops are looking into whether the pair were attempting to set up some kind of depraved "lesbian sex circle" at Bradford High School in Starke, Florida.

One furious father raged: "Are any of our daughters safe at this school? It seems that the lesbian teachers are out of control, using the

FINGER: Autumn Rodgers

VIDEO: Lainie Rodgers

girls to satisfy their rampant lesbian lusts."

Autumn Rodgers faces charges of lewd lascivious behaviour, being an authority figure engaging with a student, and cruelty towards a child by the transmission of harmful material to a minor.

She also sent explicit videos to another girl, 16, but went further.

Cops say she showed the teen pornography and asked if the footage made her aroused.

#### Licking

She is then accused of sliding her fingers into the teenager's vagina, slipping down her sports shorts and licking her innocent mimsy.

She is said to have then encouraged the girl to fondle her breasts and masturbate her to completion.

Rumours that she licked the girl's anus have not been confirmed by Bradford County Sheriff's Office.

Autumn Rodgers is facing more charges than Lainie Rodgers as there was sexual contact with the victim, it was confirmed.

LOVE Island scorch Eve Gale gave fans the bum's rush when she posed showing off her **HUGE** trumper.

The reality TV star, 22, also showed off a nice slice of side tit in the snap which she shared with her army of 743k Insta fans.

One follower said: "I'd like to lick that arse all over, and it would take a while before even getting to her bumhole."

# THE WORLD FAMOUS AGONY Page

**Dear Ashleigh,**

MY new girlfriend is a right cracker with flame-red hair, firm tits and a fine round arse. She's really fit and sporty and plays at striker for a women's football team.

Last weekend, she persuaded me to go and watch her in action and I wasn't disappointed.

Getting an eyeful of all those athletic women in tight-fitting kits was horny enough, but seeing all those wobbly tits and flashing thighs soon gave me a stonking great hard-on.

And I was soon forced to sneak off to the loo for a quick ham-shank. When I got back to the match, I found out that my girl had scored while I was relieveving myself.

But she'd clocked I wasn't there when she was celebrating and at half-time she tore into me and told me I was a wanker for missing her goal.

What do you think?

*MH, Bristol*

**Ashleigh says...**

WELL, I have to say she's absolutely right.

**Dear Ashleigh,**

I REALLY can't understand it – my best mate gets way more results with the ladies than I manage.

The thing is, he's as ugly as sin and has a face that only his mother could love, you know.

I don't mind admitting that we first became friends because I thought I'd be better at pulling than him.

But although the babes often come over and chat to me, they soon seem to get bored with small talk and end up laughing at my mate's jokes – and he winds up getting all the shags.

Just last week I caught him in a pub toilet with two blondes sucking him off.

He then had the audacity to invite me to watch as he took them both from behind.

What is his secret?

*JC, Kent*

**Ashleigh says...**

SERVES you right for using him. Get yourself some better social skills.

## Boning boss's wife got me promoted!

**Dear Ashleigh,**

I WENT to a company do last month and met the boss's wife. She's gorgeous, 38, with a perfect body.

She also likes a drink and started coming on to me when she'd had a few.

She said she was looking for a toyboy – I'm 21 – and asked if I was up for a blowjob, so obviously I said yes.

She led me to her BMW parked outside and gave me head on the back seat.

Since then I've seen her a few times at her house. She loves it doggy-style and up the arse.

But last week out of the

blue my boss asked to see me. I was shitting myself, but he surprised me by telling me I was being promoted.

He then put a video on which he'd secretly filmed of me pounding his missus from behind.

He explained that they both liked making secret sex videos and he wants me to keep shagging her.

How good is that?

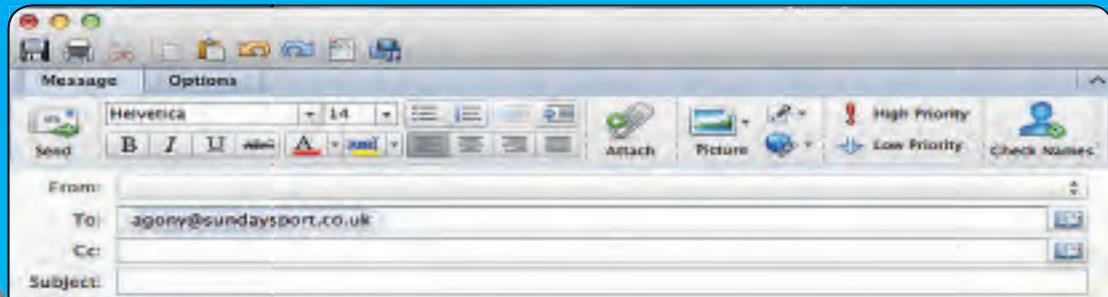

*LD, Lancs*

**Ashleigh says...**

NOW that's what I call a great bonus.

# Caught on film in his wife's undies

**Dear Ashleigh,**

**I FIND myself in a very difficult situation as I've been shagging my neighbour's gorgeous wife.**

She's also a bit kinky and loves me to f\*\*k her while I wear her bra, stockings and suspenders.

The thing is, I get a real kick out of wearing her lingerie while we're on the job, too.

A problem arose, though, after her hubby invited me and my missus round for drinks one evening a few weeks ago.

After we had been sitting chatting innocently for about three-quarters of an hour, he brought out his laptop.

To my horror, he had recorded footage of me and his wife getting down to it in their bedroom and gave the laptop to my missus.

As the video rolled on there was me wearing bra, stockings and sussies, nuts deep in his wife and pounding away at her for all I was worth, clearly enjoying every second.

I realised instantly that the dirty bastard must have been hiding in the wardrobe filming the whole thing just to stitch me up.

As you can imagine, I was expecting a right mouthful from

the wife, followed by a demand for a divorce.

But I got an even bigger surprise when my missus said that what she was seeing was okay – even the bit where she saw her neighbour inserting a vibrator up my backside.

I had felt sure she would kick off, but instead she wanted to know why she'd not been invited to take part in our sex fun.

She then surprised me even more by suggesting that our neighbour's hubby could join in for good measure.

Well, it may sound sort of selfish but I didn't like the idea at all, though I couldn't really complain, could I?

## Licking

So after a few more drinks my wife stripped to nothing but a pair of see-through briefs I didn't even know she had.

Before I knew it, both of my neighbours were on her, with the woman licking out my missus as she sucked on the bloke's rock-hard cock.

They were clearly enjoying themselves and I could do nothing but sit there and watch them go at it.

But I wasn't left out for long. After he had shot his load all over my wife's face, I was invited to get my cock out and into her hungry mouth and she sucked me off while the neighbour's wife squeezed and licked my balls.

As this was going on, the

neighbour had recovered and was banging my missus.

After a while they told me to dress up in my wife's lingerie and get it on with the neighbour's wife, just like we did on the film.

While I was giving his wife one from behind, I noticed my neighbour had his camera out and was filming my wife – who was pleasuring herself with a giant vibrator that had suddenly somehow appeared.

Seeing her legs splayed and the plastic tool plugging in and out of her sopping fanny was too much for me.

I spanked all over his wife's boobs and was amazed when my wife zoomed in and licked my mess up.

Before the night was over, the women got a twin-ended dildo and f\*\*ked each other while me and the neighbour shot our loads into their mouths.

It was a great night and we plan to do this more often.

The trouble is my wife now insists I wear women's undies every time I have sex with her.

I always considered it a harmless fetish but this is taking it a bit too far, isn't it.

What do you reckon?

PH, west Midlands

# **Steel band hunk hit right note**

**Dear Ashleigh,**

I WENT with a pal to a fancy dress evening with a Caribbean theme at a pub near me which had just come under new management.

Even though it was a bit chilly, we both decided to go in sexy and skimpy beach gear.

It was a lot of fun and the cheap rum punch flowed. I think I must have had a bit too much too soon as I was first up for the limbo dancing competition when it was announced.

The whole event was being run by a hunk who was a member of the steel band. He was quite a character and after he helped me under the limbo pole a few times I thought I might have a chance with him.

Later, I bumped into him in the corridor and we got chatting, leading

to the inevitable request from him for a bit of a cuddle.

We kissed and I made it clear I was up for more than just that, so he led me into a room at the back of the pub, tugged down my bikini bottom and tongued me to ecstasy.

He was magic with his mouth and I clamped my thighs round his head as I came.

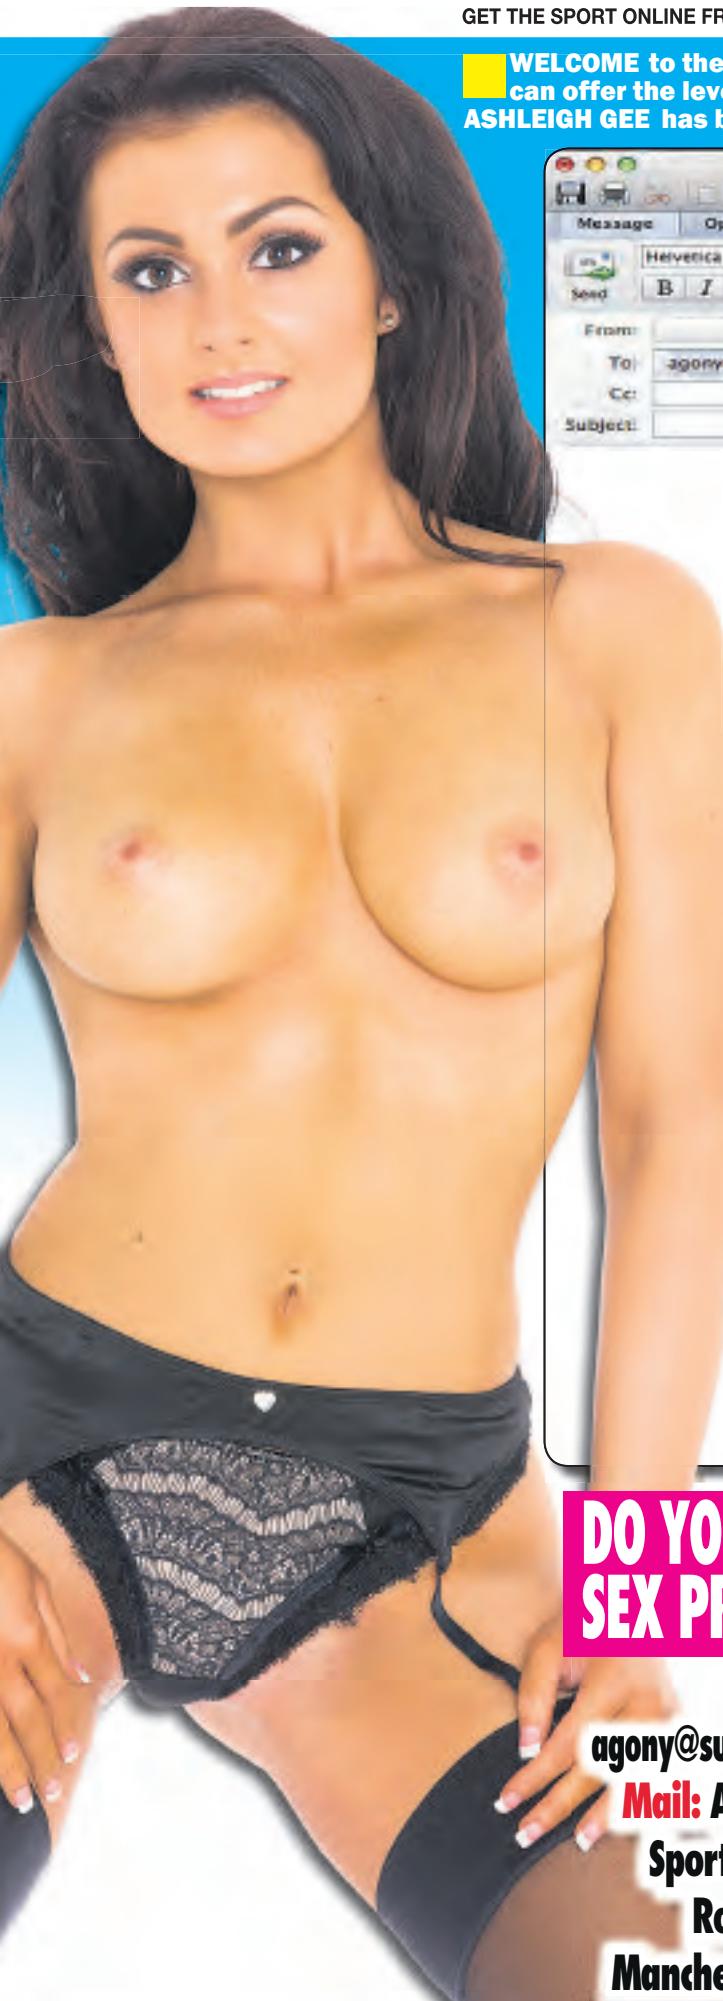

I was happy to return the favour, pulling out his whopping member and sucking him to completion.

I want to seem him again, but he left before I could get his number. What do you suggest?

GD, east London

# 'I love to tease a bloke so he begs me to give him an orgasm...'

**MY fave fantasy is role playing as a dominatrix and I love to be a bossy boots in the bedroom!**

I get so turned on from being in total control and pushing the boundaries.

To feel my most powerful, I put a lot of effort into dressing up.

I wear something like a black leather or PVC bodice with sexy fishnet stockings and stilettos or thigh-high boots.

To fully embrace my domme alter ego I demand to be called Goddess or Mistress in the bedroom.

I have quite a collection of toys for BDSM. I've got whips, handcuffs, floggers, nipple clamps, dildos and butt plugs.

I love to tease a man so that he's begging me to give him an orgasm.

But he'll only be allowed to do that if he's a good boy and pleases his mistress.

Occasionally I turn the tables and I'm the submissive one, but it's much more fun for me to be sat on a guy's face ordering him to eat my pussy!

## # HOT 'N' HORNY

**INKED-UP** Daniella Mae flaunts every inch of her eye-popping curves in these saucy topless snaps.

As well as parading her 34C chest puppies, the busty brunette peeled off her thong to show off her peachy derriere.

While getting naked, Daniella, from Windsor, Berks, told us she'd love to get hot and horny with a steamy sex session in the bathroom.

#### Fantasies

She revealed: "I've always wanted to have sex in the shower, it's one of my ultimate fantasies.

"Getting all wet and soapy with a hot guy while he rinses my boobs and washes down my body would be so incredibly naughty, I can't understand why I haven't done it yet.

"Variety is the spice of life but, if I was pushed, I'd have to say I love my boobs being played with the most.

"Oh, and I really like a bit of light spanking, too. You can't beat a bit of the old slap and tickle!"

"It just happens sometimes when I get revved up! "It's great to start off with a sensual massage of the bum cheeks. I've been told lots of times that I've got a peachy bum. "Then I really enjoy a finger up there. You need plenty of lube and then it feels absolute bliss, I can tell you! "Using a vibrating anal toy adds a completely new sensation and gets me in the mood for penetration. "The guy should start slowly then work things up gradually and then I'm nice and relaxed and can take a good seeing-to up the arse. Yum!"

STANDING FIRM: Klopp

Klopp's backache before City clash

JURGEN Klopp says he has confidence in his defenders despite their poor showing against Brentford.

Liverpool shipped three goals as Premier League newcomers the Bees held them to a dramatic draw.

Virgil Van Dijk was on the pitch but he could do little to stop the Londoners from hitting the target with ease.

Now Liverpool face a tough clash with Man City who will surely provide a much sterner challenge than Thomas Frank's men.

But Klopp is confident his backline will hold firm on Sunday.

The Reds boss said: "It's not that much of a concern because I don't think you should make these things bigger than they are—but we have to show a reaction, that's for sure."

"It's really tricky to win a football game when you are not defending on your highest level and that's what we didn't do."

#### Concerned

"The common opinion is it's only about the last line but we had a problem in general with our defending. That's why Brentford caused us problems and it wasn't good."

"We have to improve in that department for sure but now is not the moment to be concerned."

"We spoke about it and we know we cannot do it like that. I think we have sorted it but we have to show it."

Klopp could be without Trent Alexander-Arnold after the England right-back didn't travel to Porto for the Champions League match.

He took part in training on Monday morning but wasn't on the plane to Portugal.

Klopp hasn't said what the issue with the 22-year-old is.

He missed the Crystal Palace game earlier this month with illness but was back against Brentford.

If he is missing against City, it could be a tough day for James Milner, Joe Gomez or Neco Williams against the likes of Riyad Mahrez and Jack Grealish.

## TOTTENHAM STRIKER WANTS MORE

# SUNDAY LEAGUE SPURS!

### We hoof it too much blasts Moura

**LUCAS Moura says Tottenham played hoofball too much in their north London derby defeat against Arsenal.**

The Gunners blew their rivals away with a first-half blitz that saw them go 3-0.

Tottenham managed to get one back in the second half but were very much second best.

Moura reckons Spurs played too many long balls and didn't fight enough to keep possession in a disappointing effort.

There's no doubt that new boss Nuno Espirito Santo's honeymoon period has ended.

And many fans and pundits are grumbling about his tactics. It seems Moura might agree.

The strike said: "The feeling is very, very bad. We know what it means for the fans, for the club and of course we wanted to win, we

By PAUL THOMAS

wanted a different result. It's not a time to speak. It's a time to be quiet and work hard. It was a very bad game, it didn't work at all.

"I think they took advantage of our mistakes during the game."

"We gave them too much space. And we didn't play at all. We didn't try to play. We didn't try to have the ball."

"We have quality to have the ball, to build, to do more than what we did. So many long balls. We were not aggressive enough and they punished us."

"Even 3-0 down, it was not finished. Second half we did different, it was quite good."

"But it was too late, 3-0 from the first half was very difficult to turn over."

"But we tried, we fought until the

end but it was not enough we're not happy and we need to improve."

On the back of a 3-0 home spanking against London rivals Chelsea another derby defeat was the last thing Spurs needed.

Moura believes hard work will be the way to turn things around.

He said: "We need to run more. We need to be more aggressive, we need to work more, work harder."

#### War

"But we cannot be crazy. It's only the beginning of the season. We have a lot of games to play so we need to improve as soon as possible."

"It's Premier League. Every game is hard, every game is a war. The first three games was good, especially against Manchester City. I don't know why we changed our mind against Crystal Palace, it didn't work."

"We didn't know how to react after

but we need to react as soon as possible. We need to improve. Like I said, we have the quality to do better."

"We need to know how to pass this moment, how to face this moment. We're all good players who have quality to improve. To do better. That's the Premier League, that's football."

Jamie Carragher agrees with Moura that Arsenal were simply given miles too much space in the middle of the park.

And he thinks the manager has to take the blame for some dodgy tactics.

He said: "Whenever I see a performance like that, I always look at players first, as I have on this. I think managers often take too much criticism, and often it's down to the players."

"There were some shocking performances from Tottenham players, but I think the manager was equally

# FROM MISFIRING TEAM-MATES

YES BOSS: Nuno talks tactics with Lucas Moura

MAROONED:  
Dele Alli

culpable in this result in how he set up.

"When people question a manager, we always hear: 'There was no plan' — but there's always a plan at this level in football. When you analyse it: I'm not sure how this plan was ever going to work."

## Midfield

Carragher reckons Spurs will keep having problems if they don't get tighter in midfield.

He added: "One minute into the Arsenal game: Dele Alli, Ndombele and Hojbjerg are the midfield players, and they are not in midfield positions."

"The only reason you'd stand there is if your manager has told you to go there. They wanted to go direct, but who to?"

"Even if you win the ball, you need someone behind you to pick up sec-

ond balls, but Dele Alli was on the same line as Harry Kane!"

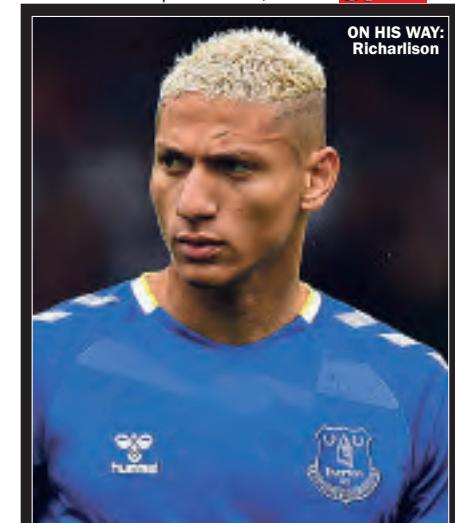

"When you look at the space in midfield, I don't think I've ever seen anything like it in my life."

"Where would you want them? Surely not there. There's less space on the moon than what you see in that midfield for Tottenham. It's unbelievable. The manager must have told them where to go and this is before the first goal. It was always going to happen."

Carragher thinks Santo will come under pressure quickly if results don't improve.

He said: "It doesn't feel like a perfect fit. On the back of Jose Mourinho, it almost feels like Mourinho-lite."

"I had it in my career: Roy Hodgson was a really good manager, but he wasn't the right manager for Liverpool. I think the Spurs fans are thinking early on now: Is Nuno a Tottenham manager?"

ON HIS WAY:  
Richarlison

## Rich pickings for Everton's Brazil hitman

RICHARLISON admits he's unlikely to be at Everton for much longer — but he won't leave the club in the lurch.

The striker has become an important part of Brazil's first team and is on the radar of all Europe's major players.

Barcelona reportedly bid a whopping £80m for him last season which Everton turned down. Now Paris St Germain are thought to be sniffing around the 24-year-old.

He is seen as an ideal signing if Kylian Mbappe gets his move to Real Madrid at the end of this season.

Richarlison has stopped short of committing his long-term future to the Toofees.

He said: "I'm always very careful when I talk about it."

"I have great affection for the people of Everton and for the club, who received me so well from the first day I arrived."

### Gratitude

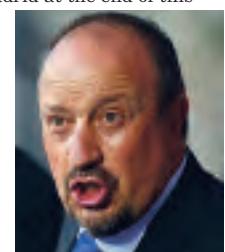

"I don't know what the future holds."

"If one day I have to go, it must be good for me, but also for the club."

"But if I stay, I will continue giving my life for this shirt and for the fans, who have always supported me and were with me at all times."

"I have enormous gratitude and feel at home when I am at Finch Farm training ground or Goodison Park stadium."

Everton will be hoping boss Rafa Benitez can steer the club near the Champions League

BOSS: Rafa Benitez

places. They have made a good start to the Premier League season with just one defeat in their opening six matches since the former Liverpool gaffer took over.

There's no doubt that several teams in that competition would come in for Richarlison once it was clear he's leaving Goodison.

If Richarlison does move on, one Everton legend thinks some of the cash should be spent at the back.

Kevin Campbell says the Toofees need to buy another top central defender.

He said: "I still think another defender is needed."

"I know they've got Mina, Godfrey, Keane and Holgate, but I still feel they need another because with injuries and there's going to be suspensions."

"Everton need another one, they need a good one. I'd make a move for a top centre-half, that's what they need."

# HAALAND MAD FOR REAL

## Erling ready to snub Premier League dubs

**ERLING Haaland is set to snub the Premier League and sign for Real Madrid.**

The Borussia Dortmund ace is one of the hottest properties in European football.

He continues to bang in goals and will be a real bargain this summer when a release clause kicks into

By JOHN ANTHONY

his contract. Then he will be available for just £67m which is a bargain for the 21-year-old.

All the Premier League big boys are desperate to sign the Norwegian with Liverpool, Chelsea and both Manchester clubs all expected to mount bids. They can all offer huge

wages but it might be for no good.

That's because Haaland has reportedly set his heart on signing for Real Madrid.

He could link up with Kylian Mbappe in the Spanish capital with the French hitman expected to arrive from Paris St Germain.

Borussia Dortmund chief executive Hans-Joachim Watzke has bad news for

the English teams hoping to sign Haaland.

He said: "Erling is an independent personality.

"Anyway, at some point he will play for one of the best clubs in the world, although he is already playing in one of the best clubs in the world.

"But I know, of course, that Real Madrid seduces him."
